“The KING Motivator” Voted Distinguished Member of The National Society of Collegiate Scholars

Motivational speaker Karl Mayes receives prestigious NSCS honor

Houston, Washington D.C. – Karl Mayes Enterprises LLC is delighted to announce that Karl Mayes, the national motivational speaker best known as “The KING Motivator”, has been inducted into the prestigious National Society of Collegiate Scholars as a Distinguished Member.

Karl Mayes was nominated for Distinguished Membership by the student leadership of The National Society of Collegiate Scholars (NSCS) chapter at Houston Community College.

A promotional speaker for over 8 years, “The King Motivator” was honored by NSCS due to his continued commitment and demonstration of adhering to the organization's core values: Leadership, Scholarship and Service.

Mr. Mayes has dedicated his life to motivating and helping others through positive influence and leadership.

The KING Motivator inspires people to lead healthier and happier lifestyles with tips and advice on improving relationships, promoting wellness, encouraging personal development, and empowering youth for a brighter future.

“The only time 'success' comes before 'work' is in the dictionary”, proclaims The KING Motivator on his YouTube channel, where viewers can watch the 'Another Day, Another Chance' series of motivational videos.

'Another Day, Another Chance' was recently picked up by HCC TV, a station that reaches 700,000 people locally in Houston, Texas.

Commenting on the NSCS Distinguished Member award, Karl Mayes said, “It is so wonderful to receive an honor of this magnitude this early in my speaking career. It is also a pleasure being recognized for touching lives on a daily basis, although no recognition is needed for me to continue the journey.”

NSCS' is a nonprofit organisation founded in 1993 with a mission to recognize and elevate high achievers for a lifetime through career and graduate school connections, leadership and service

opportunities. They provide over one million dollars in scholarships annually.
